IMMIGRATION **CITIZENSHIP SERVICES**

CITIZENSHIP QUESTIONNAIRE

This form gathers information for use in a deep assessment of a claim to citizenship of the United Kingdom or Ireland. Citizenship laws are complex and an outcome today can depend on births, adoptions, marriages and many other life event long ago.

Please fill in the form below with as much information as you have. The sections written in **Bold Red** are the most important. We try to discover any possible claim to citizenship, so more information supplied below means that more possibilities can be investigated. If you cannot supply an exact date, then please try to supply the year. Often the year is sufficient for an initial outcome.

If the subject has no parents or grandparents from the British Isles, an existing British Overseas territory or a territory that was a British territory, then complete only sections #1, #2 (mother), #6 (father) and #10 (other). If the subject is resident in the UK and seeks naturalisation or registration of a minor child, then attach a list of dates of physical absence from the UK over the last 5 years (exceeding 2 days).

Fill in the data using a PDF reader or write on a printout and scan it into one PDF. Please send your completed questionnaire to the following email address: businessdevelopment@collyerbristow.com

This information is kept confidential. Names can be left out for anonymity, but initials help make the report readable.
